Sullivan High School
Sullivan, Missouri
Linda Shoults, Editor

Eagle

Foreword

The 1974 EAGLE portrays in pictures and words the many happenings of Sullivan High School. It shows the fun-filled activities, organizations, and educational moments that you the Student Body were involved in.

After you have progressed in your life and turn back to your yearbook for happy memories, we hope you will be able to look back with pride at the years you spent at Sullivan High School.

With Respect And Admiration
We Dedicate This Book To

MRS. BERNICE SHAFFER

Each year the EAGLE staff dedicates the yearbook to an individual they feel has greatly contributed to our school. This year we shall attempt to express our gratitude through these few words and pages to Mrs. Bernice Shaffer for her years of service to SHS.

In the first of her years here Mrs. Shaffer was an outstanding English teacher and directed the junior play. She now devotes her time and talents to help make Scholar Quiz, FTA, and the Junior-Senior Prom the successes they are. As librarian and Junior Class sponsor, she further illustrates her enthusiasm to serve the school.

Perhaps more significant are the contributions she has given to students and faculty personally. The encouragement and friendship she continually offers have earned for her respect and admiration. Many of the people whose faces are seen in this book have at some time been inspired by Mrs. Shaffer.

And so, acknowledging that we can never repay, but sincerely hoping we have expressed our appreciation, we say to Mrs. Shaffer—thank you.

SENIORS

MOST SCHOOL SPIRIT
CAROL KREBS-JOHN SCHMIDT

As always, Carol has her mouth open. Lucky for us that cheers and enthusiasm are usually coming out of it. Although being active in the sports life at SHS plays a part in school spirit, both Carol and John have shown that it goes deeper than this. They have participated in clubs, organizations, and special events, such as working toward the success of the Prom as juniors. To top their school days off, they have both served as Vice-President of the student body.

Senior Superlatives Strike Again!

MOST ATHLETIC
LINDA SHOULTS-RAY MORRIS

If athletic ability were based on stilt walking, these two would never have made it, but Linda and Ray have proved their talents in other ways. Linda's participation in softball, volleyball, powderpuff football, and her four year membership in Girl's "S" Club illustrate her love for sports. Ray has always been outstanding in football, which is shown by his being awarded the honor of First Team All-Conference linebacker this year. He has also been active in basketball and track and is a member of Boys' "S" Club.

Compliments of
CITY OF SULLIVAN

MOST MISCHIEVOUS
DEBBIE HEUER-VERNON CAIN

Usually, if someone were being stuffed into a wastebasket the scene would get a few double takes, but with Debbie serving as stuffee and Vernon acting as stuffor, it's nothing too extraordinary. These two usually succeed in giving their classmates entertainment and their teachers gray hair.

HEALTHIEST VOCAL CHORDS
JUDI HASSEBROEK-GUY WEILAND

Don't let the quiet and tranquil appearance of Judi and Guy fool you. If pictures could talk, this one would be heard for miles around! Judi can always be heard urging people on and giving support to school teams. Although Guy uses his voice to support others, if a "back pound" and a "CUT IT OUT!" are heard it's probably Guy on the receiving end.

FRIENDLIEST
CHRISTY SCHMIDT-RICHARD KEMPKE

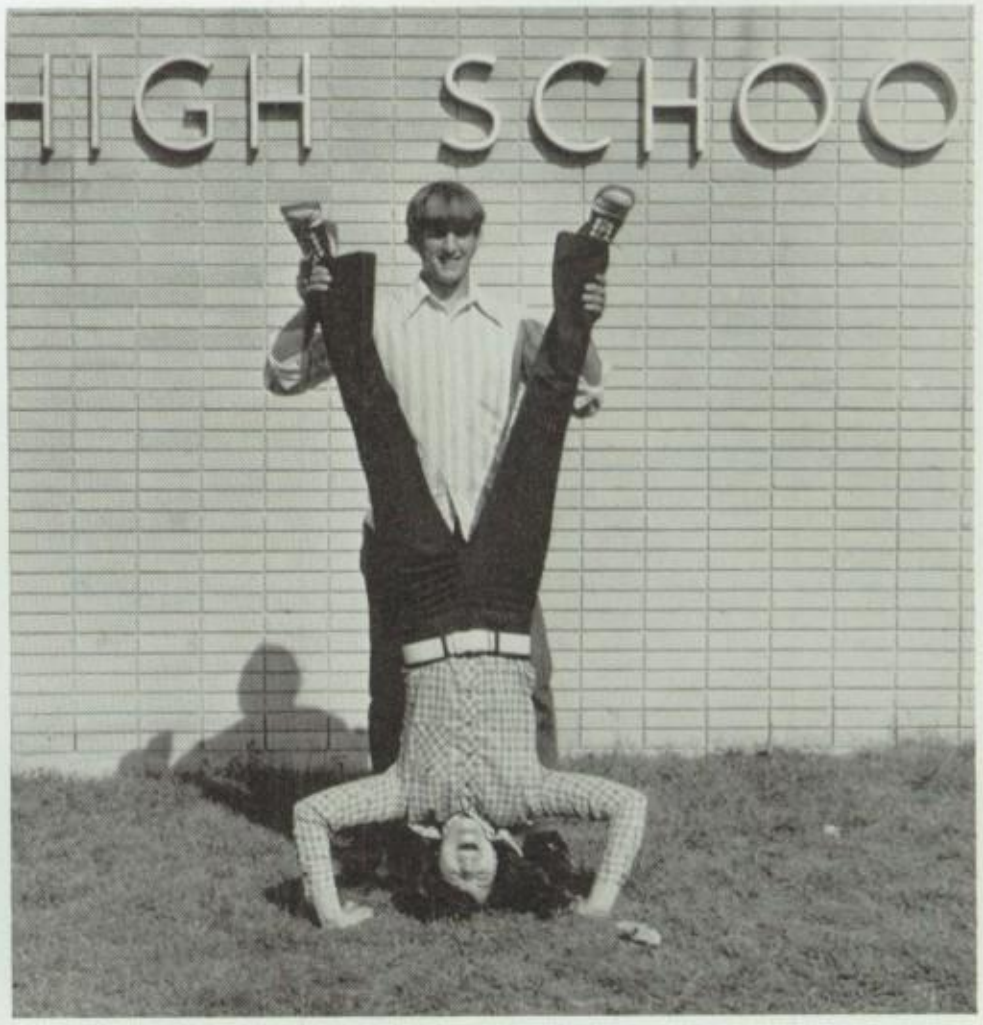
As you can see, Christy and Rich enjoy the simple pleasures of life. Christy's bubbly personality has won her many friends and titles including Homecoming Queen. Her charm is evident when you look at the position she has conned Rich into taking. Rich is known throughout school for the bright smile and cheery word he always has for everyone. The saying "bundle of joy" must have been made for him.

Compliments of SCHULER BROTHERS
Plumbing and Heating

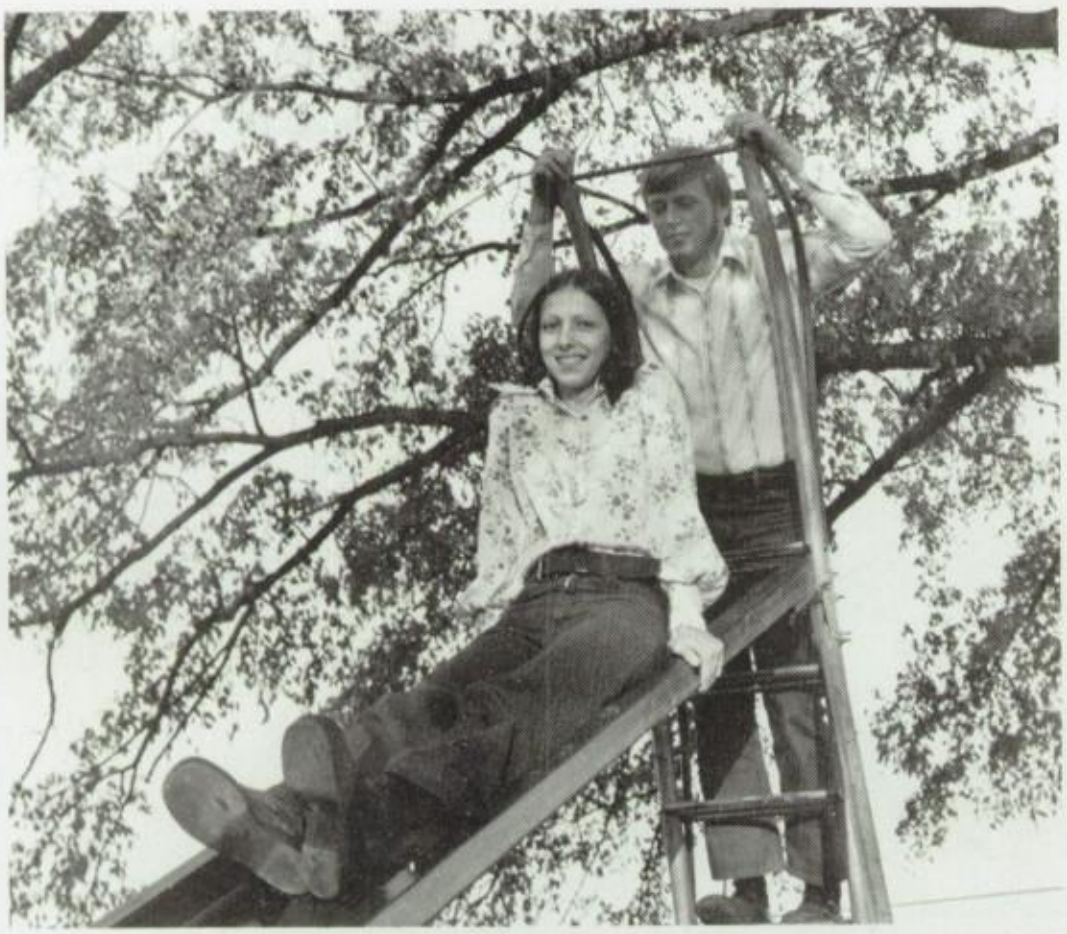
MOST MUSICAL
GLENDA HAMM-CARL PALERMO

Glenda seems to be enjoying her musical talent, but Carl? Well, when he's acting as drummer, he wears a smile too. Glenda's real position in the band is as a trumpeter, and she is also an active member of Concert Choir. Both add sparkle and liveliness to the musical department of SHS.

FUNNIEST
KIM WIGGER-RANDY ENNIS



One glance at the picture explains why Kim and Randy are considered a little more comical than most. Kim always seems to be on hand to provide everyone with knee slapping laughs and sore sides. If you happen to see a lot of kids walking around in between classes with tears streaming down their faces, chances are they've just had a class with Randy and his witty remarks.



MOST HAPPY-GO-LUCKY
CINDY BARNS-MONTY COOPER

Many seniors wouldn't be caught dead playing on a slide, learning to catch flies, or falling off a motorcycle, but Cindy and Monty's pastimes are seldom more complicated than this. The crazy things they do and their ability to laugh at themselves as well as others illustrate why Cindy and Monty are considered so easy going and likeable.

Student Council Goes Volunteer

Gary Daughtery, Pres.; John Schmidt, First V. Pres.; Brenda Biermann, Second V. Pres.; Alfred Avery, Sec.; Susan Sites, Treas.

Student Council, under the direction of Mr. Gerald Carr, had a fruitful year.

The major change in the Council was that the only elected members were Gary Daughtery, Pres.; John Schmidt, First V. Pres.; and Brenda Biermann, Second V. Pres. All other members were selected on a voluntary basis because of their interest in bettering and promoting school life.

Some of the major activities of the Council were sponsoring the Ice Breaker dance, Football Homecoming, Basketball Homecoming, and raising money for the scholarship given by the Student Council each year.

FTA-Helping To Discover Teaching Skills

Janet Hassebroek, Pres.; Pam Schmidt, V. Pres.; Marsha Carr, Sec.-Treas.; Mrs. Shaffer, Sponsor; Miss Bryan, Sponsor.

FTA is an organization for students who feel they may be interested in teaching as a career. It provides fun through picnics, hikes, hayrides, and banquets. It also provides learning by having guest speakers on education.

Cadet teaching was offered for the first time this year for a high school credit. The students involved helped teachers one or two hours every day by giving individual help to individual students. They also helped by grading papers and helping the teacher to plan activities.

New Courses In An Expanding Curriculum

SHS had many new and different courses to offer this year to its students. These courses were in different fields, and many students participated in each area. This year students combined class work with on-the- job training in Building Trades, Work Study, Distributive Education, and COE. These students gained from practical experience in addition to their routine class work and school life.

Cadet Teaching has been offered to members of F.T.A. for two years. This year for the first time students received a unit of credit for helping an elementary or middle school teacher five hours a week.

The new English courses ended the old routine of English III and English IV. The students could fulfill their required three years of English by taking quarter and semester courses such as, Mass Media, Journalism, and Short Story.

Students in study hall were offered the opportunity to take mini courses, such as guitar, crochet, and motorcycle - riding lessons.

This year SHS participated in the Cooperative School-Work Program. Half of the day was spent in the classroom and the other half was spent in on-the-job training. The students received both high school credit and wages. This program provided many services for the students involved in planning their futures.

Sullivan High School Band

From Marching

To Concert

"Best Wishes and Keep Smiling"
WILLIAM N. TIERNEY, D.D.S.

A chilly fall football performance.

The Sullivan Marching Band and Eaglettes braved the wind, rain and cold of the 1973 football season.

They journeyed to marching contests in Washington and Kirksville, Missouri.

Both the Eaglettes and the Band moved indoors after football to perform at basketball games.

Band along with chorus presented a Christmas concert which was a big success.

Band and Eaglettes, the Eagle Staff salutes you.

Basketball Homecoming 1974

Diana Newbanks-Queen

The third annual Basketball Homecoming game and dance was held February 2. The Homecoming week started off Tuesday with "Lick Em Up" day. The following day the Eagles chewed their way through classes with "Chew Em Up" day. Thursday brought a new activity into the old routine with "Tip It to the Eagles;" true Eagle fans wore hats. Friday was the traditional "Black & Gold" day. The Eagles hosted the Pacific Indians for the game. During halftime the Homecoming Court was presented and Diana Newbanks was crowned Homecoming Queen for the 1973-74 school year. "Dusty Foot" provided the music for the dance following the game.

The sweetness of victory!

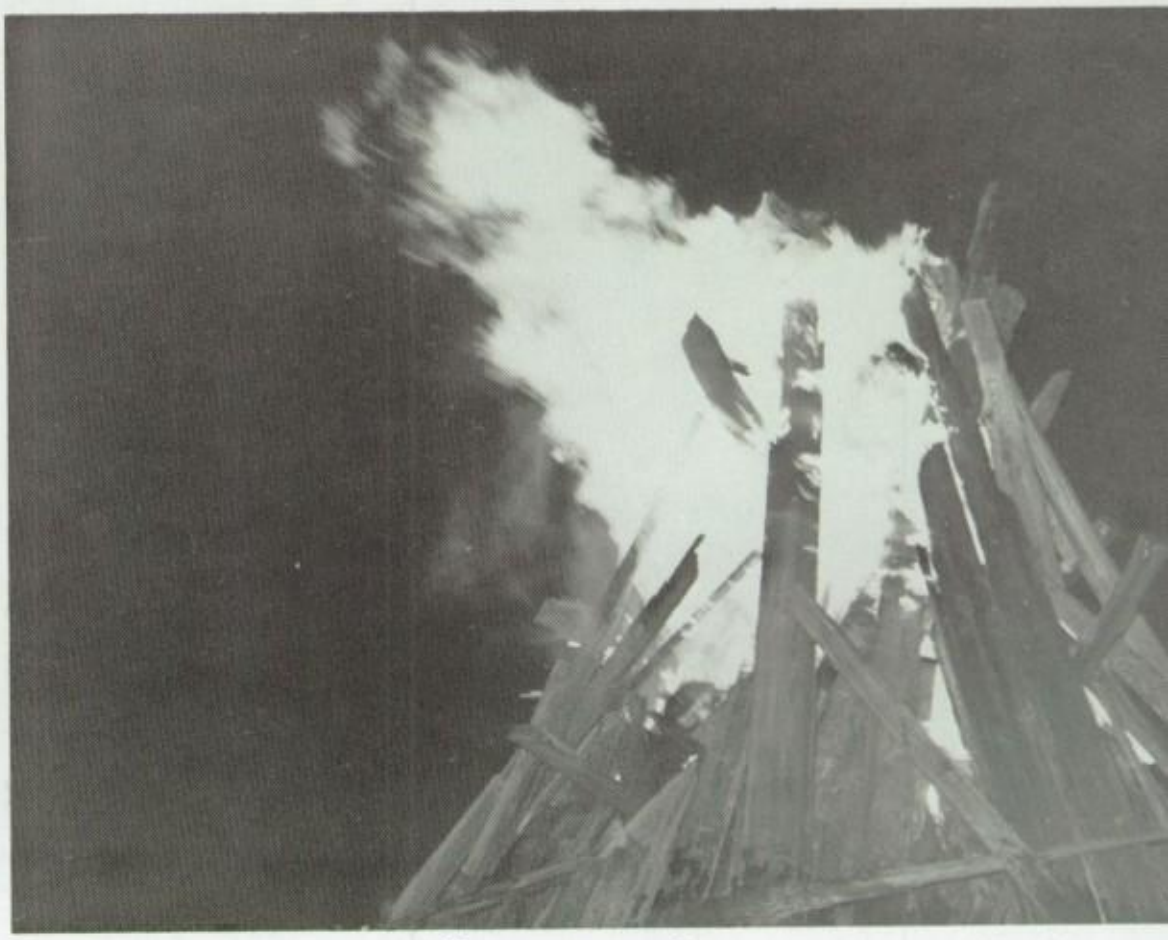
Homecoming '73

Thanks to the mighty Sullivan Eagle football team, Homecoming 73 was a victory. The Eagles won over the St. James Tigers 26-0.

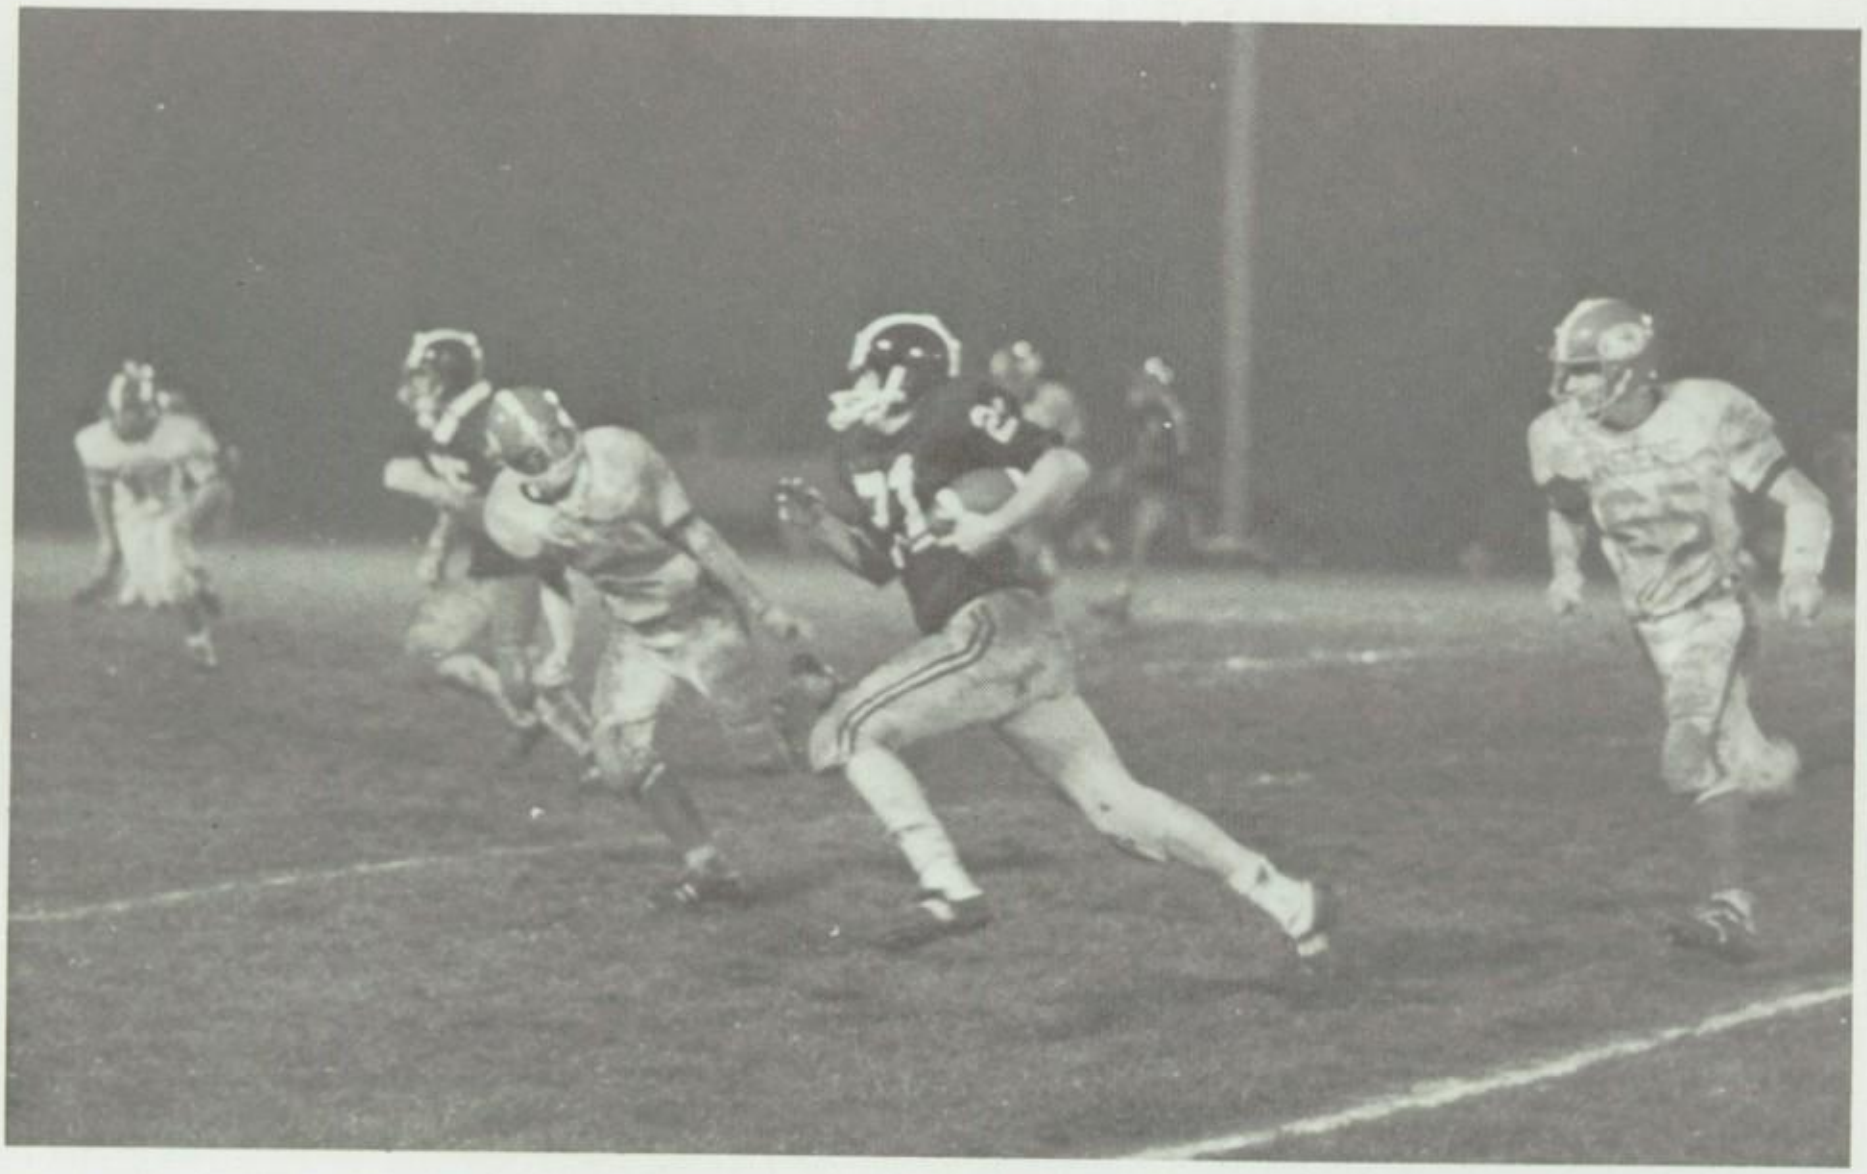
Thanks to the Pep Club and cheerleaders HOMECOMING WEEK was a tremendous success.

For one solid week football was painted on the windows, football was baked on cakes, football was papered in the dressing rooms.

The spirit was up, the boys were up, and a well deserved victory was booted over the finish line!



Hometown support!



Oh when the EAGLES go marching in . . .

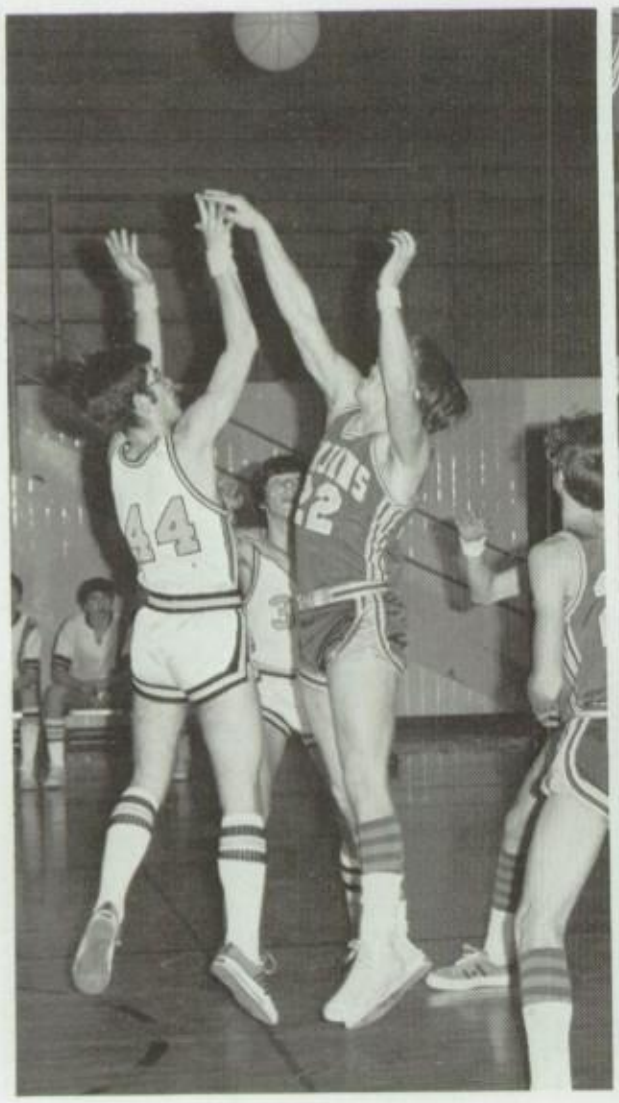
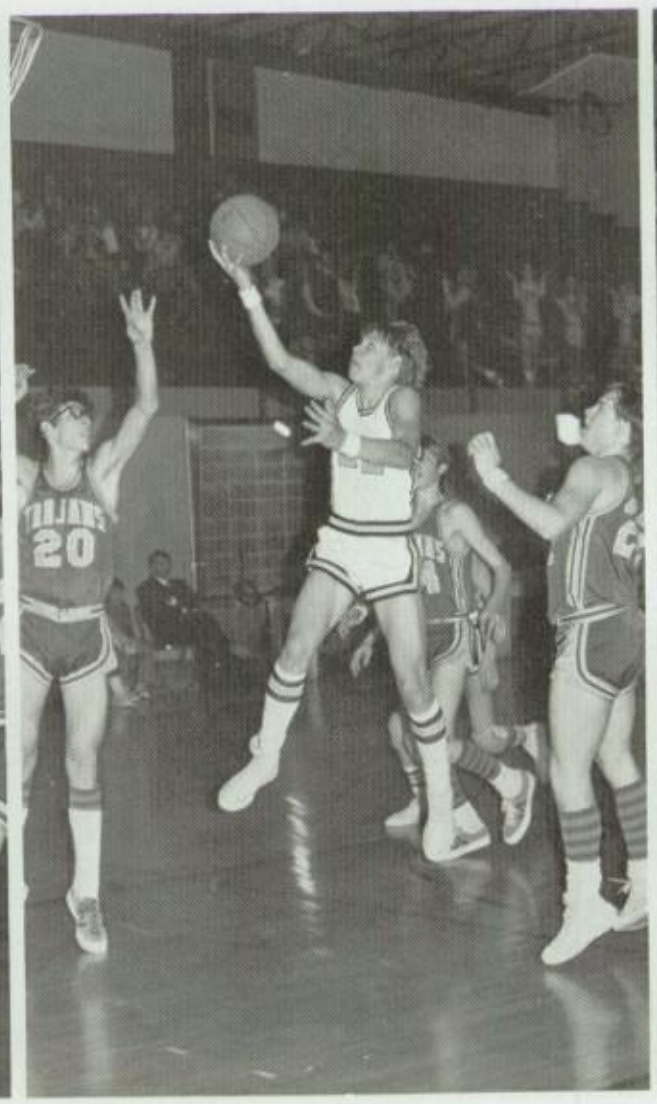
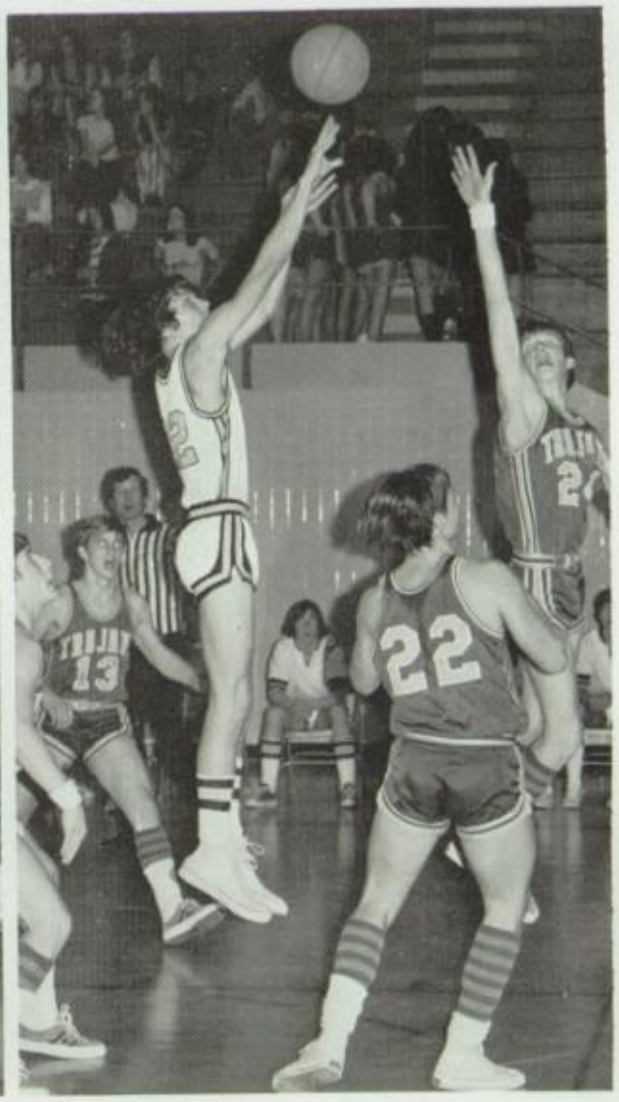
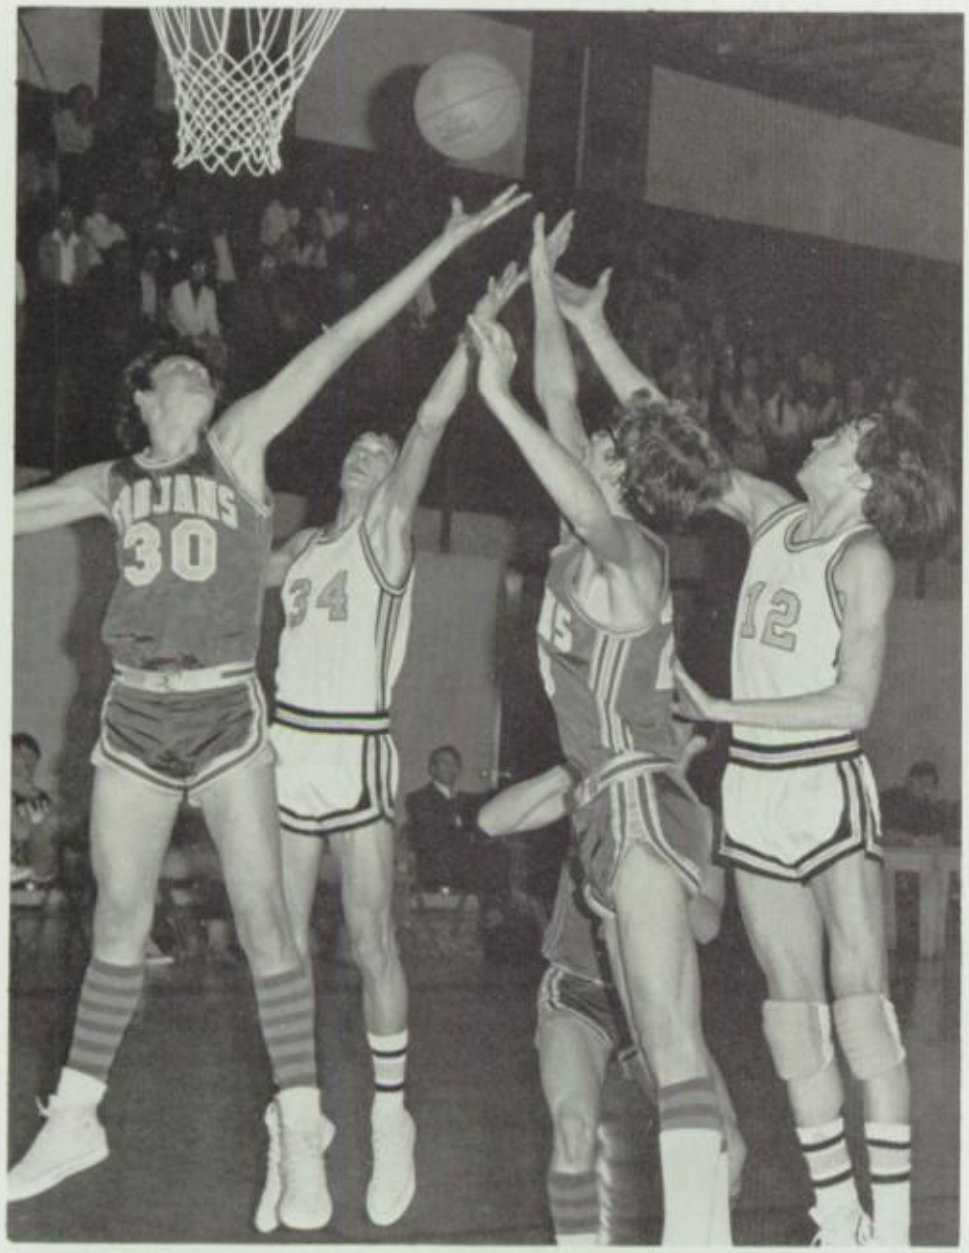
"B" Team Basketball Has A Great Season

BACK ROW: B. Rohrer; S. Betke; D. Tiefenbrunn; B. Heady; B. Erickson; S. Lakebrink; D. Thexton, Man.; Coach White.
FRONT ROW: C. Clonts; J. Janish; M. Head; M. Brown; S. Vogt; P. Miller; D. Daugherty, Man.









The 1973-74 basketball season was a victorious one for the B-team. Their final record was 14 wins and 5 losses. They also placed second in the Four Rivers Conference Tournament at St. James. The team played a good season and demonstrated sportsmanship and teamwork even when the game was rough.

We are proud of our B-team and Coach White. Congratulations on an excellent season.

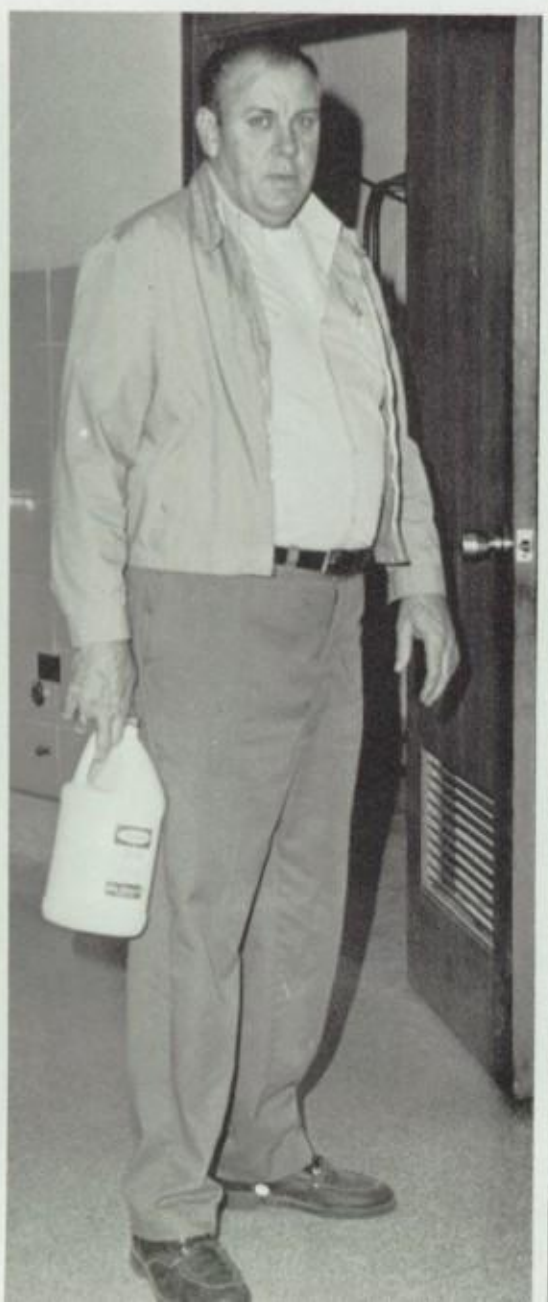
Three Cheers For Their Help!

Mr. Cios

Mr. Alexander



Mr. Barrow

Mrs. Fadler

We present to you this simple portrait of a certain group of people who gathered together at a certain time to share what they have in common. This book reflects one school year of hard work, gay times, and tidbits of sheer nonsense. It cannot contain all that has happened, but only certain things which are important to most of us. In design it resembles a huge scrap book—a guide to happy memories when you page through it a few years from now.

This book is what it is. No more—No less. Make the most of it!
